

Cub Scouts 2014

Back to the Pack Event

Every Pack should plan an event to rally your returning members after summer and begin planning for an exciting Fall. Many Packs have a picnic, ice cream party or a campout designed to welcome back their members after summer. The event can be used to re-engage existing leaders and identify new leaders. Packs use their “Back-to-the-Pack” event to start planning for an exciting Fall and prepare for the new families that will join at their Pack’s Cub Scout Sign-Up Night. “Back-to-the-Pack” events should be scheduled prior to your Pack’s Cub Scout Sign-Up Night.

To assist Packs in getting the word out about their “Back –to-the-Pack” event we will send out an invitation to all registered members of your Pack. The invitation will also go out to any families that may have dropped out of Cub Scouts this past year.

Here is what we need from you...

- At least 3 weeks prior to your “Back-to-the-Pack” event go to **backtothepack.cflscouting.org** and fill in the requested data.
- Your postcard will be mailed to your members one to two weeks prior to your event.
- Please plan on personally reaching out to your members as well. A phone and a personal email are always appreciated!!

Thank you for making Scouting possible for families in your community!!!

Bill Gosselin
Director of Operations
Central Florida Council, BSA
